**A**re you tired of all the hype and scams? Do you want me to **SHOW YOU** how much a simple eBay eBook Business can **REALLY** earn you?

My monthly eBay earnings **alone** allow me to enjoy my home...

Most of the Internet "guru's" online consider me to be a "guru" myself, but I am really just like you... you see, I wanted to buy an ebook business but I was tired of falling for the hype of 99% of the other ebook Powersellers on eBay and the internet. I quit my job 4 years ago, and set up my own eBook home business, and began **make money selling ebooks**. I now earn a fantastic income using the strategies you are just minutes away, from finding out for yourself. See proof of my earnings in [eBook marketing](#).

I am an eBay Powerseller making a big income selling eBooks on eBay. **Why should you trust me?** Simply because my website is [ranked NO.1 in Google.com from OVER 21 MILLION websites](#), AND [ranked 2 in Yahoo.com from OVER 9.8 MILLION websites](#) for turning people like you, into wealthy eBay eBook Powersellers.

**"I Have Purchased, Tested And Failed With Virtually Every Other Information Marketing Business Guide Out There And 98% Are**

## Scams..."

That's no word of a lie. **I have been scammed.** Probably just like you. I have waited for the "next big thing" to come along - **it never did come...**

In fact, I was SO sick of failure, I soon realised that I would have to put my OWN plan together, a plan SO bulletproof, **that it couldn't fail.**

**My hard work, sales analysis, and loss have paid off...**

I have put together the ultimate guide to becoming rich. You see, unlike the other "guru" guide's out there that TELL you how to succeed... My guide actually **SHOWS YOU, STEP by STEP** - written in such a way that you need **NO knowledge** of ANY aspect of this business to succeed.

**Even a complete idiot could sell eBooks on eBay and earn thousands - using my guide...**

### **"See For Yourself For FREE"**

I understand because I have been there, I used to be a sceptic myself. I **KNOW** you won't fail, which **is why I want to give you a FREE trial starting NOW...**

**"Do The Maths! Sell \$1-\$2 eBooks To 8 Million Ready To Buy Customers WorldWide  
At Any Time Of The Day Or Night!"**

At ANY point of the day or night, **millions** of people log on to eBay and the internet looking for simple information to improve their lifestyle, their health, their personal life, their business - just general information as a whole.

This is 21st century... knowledge and information IS POWER. Everyone wants it. I know that my guide works, because I have made hundreds of thousands of pounds using it.

**It really is simple to make HUGE money relatively quickly, I mean - if YOU had a problem, or a need... ASK YOURSELF RIGHT NOW... Would YOU pay just \$1-\$2 to fulfil that need?**

**[SEE THE PROOF OF MY EARNINGS HERE](#)**

I could be here all day telling you about my previous existence. I used to get up about 7am and take my kids to school for about 9am. I would then go to work, and return at 6-7pm every day.

Now, things are very different. I still take the kids to school, but now I go home and relax in the garden, or just do what I

please. Now, I usually go online at about 12 mid-day, to answer some emails from my customers, and withdraw more money to my bank account.

**Please read on** to see just what **respected internet marketers** are saying about my guide...

In my interview with you recently Ray, I knew I had discovered the latest eBook protige. You it is no surprise that you put together this eBook so perfectly. You can only achieve such a thing if you really are a powerseller eBook business guru. I believe no matter how you play it down, that you are the next bigtime internet marketer. I would strongly recommend anyone who wants to achieve real success online to buy this eBook. It is your turn to run your own eBay Powerseller eBook Business...

If you are looking to buy an ebook business, look no further.

What Ray is offering is a priceless ebook which walks you through the entire setup, of a Powerseller ebook business, learning you how to start an ebook business and sell ebooks on eBay profitably. You even get over 670 of the top selling ebooks available on eBay today, which puts you way ahead of the competition.

This 100% automated ebook success guide, with step by step pictures was very simple to follow. I was up and running in approximately 2 hours and just over 2 weeks on I am now making £1000 on average per month on eBay alone.

But that's not all... Ray's priceless 107 page ebook shows you how to get the edge on the competition. His expert strategies are built into the ebook for you to copy! Ray showed me in the eBook how he uses eBay as a simple tool for huge eBook sales off eBay also.

To sum up, there are a number of ways to make money selling ebooks on the internet but very few are legitimate, foolproof, and most importantly achievable. I recommend this ebook to anyone looking for a legitimate way to become a profitable eBay Powerseller - that works!

## **"Do You Want To Change Your Life?..."**

Studies show that people say that they are happy in life, but wish they had a direction to take to make a better life for themselves. Please read these points, and decide if my guide is right for you to shape your future...

1. **Enjoy lots of cash, and have the TIME to enjoy it** - Many multimillionaires have been created in the online information marketing business, and this is a growing trend, many more millionaires are predicted to be created. This business is booming, will you be the next millionaire?
2. **Build a business that fulfils people's desires and helps people** - We live in the information technology age. People have a ravenous craving for information, and you will cash in by helping these people fulfil this desire. Even the most simple or silliest of information, can carry huge financial rewards for you...
3. **Free time** - Probably your current work situation controls the majority of your time right now. If you join me today, as an information marketer, you can work when you want to, for as long as you want to. You'll soon discover that freedom and financial security do exist...
4. **Virtually no start up costs involved** - You can get involved today in the information marketing business for just the cost of this guide, no HUGE risk or investment, and the best part is, you will be ready to earn in a matter of hours...
5. **No stock to hold** - Forget piling your garage with boxes, and frequent visits to the post office... and then finding you stuck with stock you cannot get rid of. Everything you'll need will be stored on your PC...
6. **Run your business from anywhere, at anytime** - I run my business from home... I also can take my business with me, using my wireless internet connection, anywhere I go. My business is "always open" and the power of the internet brings customers worldwide - direct to you, even whilst you sleep...

## **"Complete Novice To Computer Pro..."**

I will show you as soon as you read my guide, with NO knowledge required, how to set up a completely automated income

machine that I can guarantee will bring you an income for many years to come.

I want you to succeed, and will hide nothing. Why? Well the reason is simple, so that you will recommend this business to friends, relatives, colleagues - anyone!

"Straight to the point, solid information, anyone could use... I have already put into place lots of the information, and now my partner wants to use the program for himself. "

Adrienne Benham - London - UK

## "Making Money Really Is Simple..."

Forget all the "guru's" trying to brainwash you. **It is relatively easy to make money.** As long as you can **fulfil an existing demand** (needs, wants, solutions to problems or desires) then **you will** make money!

**The exciting part is bringing eBay into this equation,** just look at the facts below and see why my guide and this business guarantee your success...

- Last years eBay eBook sales worldwide, topped \$800 MILLION (£400 million)
- eBay has over 90 million current registered users - and rising daily
- Every registered user - at some point in time, uses eBay to look for information of any kind - as it is a low cost to solve their problem, need, want, or desire. They may even look to purchase your ebooks to build their feedback!
- There are 6 MILLION eBook BUYERS buying ebooks on eBay AT ANY POINT IN TIME
- eBook buyers are targeted, which simply means, they are ALREADY SEARCHING for the information you sell, either again to satisfy their need, problem, desire etc. Or to resell for themselves!
- Information is inexpensive to buy - so it sells very fast and make you money

**Convinced yet? You should be... earning thousands has never been so simple!**

"Excellent, information and unbelievable rewards...

I have earned £6732 in 4 months, and I still have a job!

You are one of a kind! Thanks for all of your help and support too Ray, my relatives are interested now, so I will be sending them to you!!"

- How to create killer sales pages that have customers flocking to buy from you - everytime
- How to obtain your OWN website and achieve TOP search engine rankings without spending a single penny

And really, that has just scratched the surface, but...

**Do not buy ANY other ebook Business for sale unless they meet this STRICT criteria...**

1. It must be an automated business: The Powerseller ebook business owners making the real money, do not have to touch their businesses. They sell ebooks on eBay on complete auto-pilot, 24/7 world-wide.
2. You MUST be able to make a PROFIT!
3. It must be a USER FRIENDLY setup guide. We have much more important things to do, other than separating the fluff from the fact, and it MUST walk you through step-by-step, with pictures (if possible)
4. It should be a relatively low investment to start making money.
5. It must be able to pay for itself - many times over, and continue to make you money in the long term.
6. It MUST "do what is says on the tin" and work!

## "What It May Cost You If You Do Not Buy My Guide"

Well, you have seen a handful of benefits, current customer testimonials, eBay Powersellers, and ebook website owners who are making big money right now and slaughtering their competitors using my guide.

You are probably wondering just how much this is going to cost you - right?

***Let me put it this way...***

You have been searching for a legitimate, proven, low investment, 100% automated, 100% profit per sale ebook business that works, maybe for a long time... **You still haven't found one.** You have probably spent £££'s searching for the "next big thing"... **It hasn't come along.**

You fell for the scams and hype... **Finally, you realise what a TON of money you have spent - to fail and achieve nothing.**

***...right again aren't I?***

Now mull over this. Considering "Build Your eBay Empire" is hands down, the BEST eBook marketing business setup guide on the planet, I could charge well in excess of \$249...

But wait, that is NOT including all of the secrets I have **not yet revealed to you.**

Not to mention:

- The time it has taken me to prepare
- The step-by-step structuring of each section
- The easy to follow full colour pictures
- And the LIVE streaming video's!

**You only get what you pay for** - and if you are not **100% serious** about making BIG money selling simple ebooks on eBay and the internet, then I strongly advise you to **FORGET the ENTIRE idea of making a single penny anywhere else...** **Your once only investment of just \$49.95 will pay for itself in no time at all.**

You really do not need this to happen to you. **You have come this far,** which is why you should immediately download your copy using my secure ordering system...

You **MUST** Get Your Copy Of "Build Your eBay Empire" Or You Will Be **INSTANTLY In The Shadows** Of Those That Already Own It...

I have personally trained hundreds of people in developing and maintaining a successful Powerseller ebook business and website and they say my guide, is unlike anything else they have used to skyrocket their ebook earnings. You will be at a distinct disadvantage to the people that already own my guide if you do not order today. Don't take it from me, simply read the handful of testimonials again from the average ebook seller with no experience, and the more successful - established ebook Powersellers and webmasters.

Again I must stress that no experience of computers, eBay or the internet is required. It's all here. I developed the guide, and I STILL use it today, my results USING £100 Per Day On eBay have taken me from an unknown ebook seller - to a highly successful, profitable internet marketer.

My results, and my clients results speak for themselves...

You have discovered an amazing concept Ray, too simple to believe, but it works! I thought I'd try it out, as I knew I would have the money back guarantee to fall back on.

I am not great with computers, but I am learning day by day, your ebook selling guide is so straightforward, I had completed the setup of this business in about 4 hours. The extra video tutorials are very in depth too. I used to think that ebooks would never make me money, as they all sold for so little but since I have implemented a few of your backend sales strategies, I have been astonished...

Now, three weeks on, I have made double the money I made last month. The only way is up!

Thank you very much.
